

HUMAN BODY SYSTEMS PROJECT

Name: _____ Date: _____ Homeroom: _____ **DUE DATE:** _____

Congratulations! You have been hired by the Awesome Ad Agency as a travel consultant to design a luxury tour through one of the Human Body Systems. Your boss has informed you that in order to win the contract you must highlight the trendy spots, the exciting activities, and the imports and exports of the areas. For insurance considerations, you must also discreetly mention any possible dangers or special precautions that tourists might encounter in visiting these systems. Design your tour on one of the following systems:

- | | | | |
|---------------------|----------------|--------------|----------------|
| 1. Integumentary | 2. Skeletal | 3. Muscular | 4. Circulatory |
| 5. Lymphatic/Immune | 6. Respiratory | 7. Digestive | 8. Excretory |
| 9. Nervous | 10. Endocrine | | |

Choice 1: Google Slide—100

- Title slide: name of system, illustration, students first and last name, date, class block/number 4
- At least 8 additional slides that contain the following information: 8
- At least 8 pictures (ex. 1 picture per slide) relating to the organ system WITH CAPTIONS explaining each picture 8
- Each of the major organ/part: pictured and labeled with their name 10
- List and explain the functions of the body system 20
- Describe at least **two disease** associated with their body system and ways to prevent the diseases if possible. 10
- Explain how your body system works with other systems in the body. 10
- 5 fun/interesting facts about your system, including foods that benefit this system, if possible. 10
- Final slide—Works Cited Page: **EasyBib.com**, at least **three** sources used and cited correctly 5
- Grammar, spelling, punctuation, neatness, effort 15
- **ORAL PRESENTATION:** 35

Score					Presentation Trait					
					↔	Quality of information and organization: Presentation main points are clear and well developed; information is linked to presentation topic; information is organized.				
					↔	Nonverbal communication: Speaker appears comfortable and confident; speaker maintains good eye contact and posture; speaker shows engaging and inviting presence; speaker uses body motions and gestures effectively; speaker utilizes room effectively via movement.				
					↔	Quality of verbal communication: Speaker's voice is confident, steady, strong and clear; speaker uses inflections to emphasize key points or to create interest.				
					↔	Visual tools: Visual aids are creative, clear and easy to read; tools enhance the effectiveness of the presentation.				
					↔	Appropriate use of terminology: All terms are included in the presentation; terms are used in unique and creative ways; terms are used in context.				
					↔	Precision and detail in documents produced: Documents are clear, well constructed, accurate and show attention to detail; care has been taken in the production.				
					↔	Overall presentation effectiveness				
					↔	Total Score				

Choice 2: Brochure—120

Back of Brochure

Cover Page:

- Title and image of the body system (color copy or hand-drawn colored illustration) 4
- Your first and last name; date; period 5

Works Cited Page:

- EasyBib.com
- At least **three sources** used and cited accurately 10

Fun/Interesting Facts

- List 5 fun/interesting facts about the body system, as well as beneficial foods

Inside of Brochure: (You may have creative license to design the interior of your brochure, but you must include the following information.)

- Each of the major organs/parts: pictured and labeled with their name and specific function 20
- List and explain the functions of the body system 20
- Describes at least two diseases associated with their body system and ways to prevent the disease if possible. 10
- Explain how your body system works with other systems in the body. 10

Editing:

- Grammar, spelling, punctuation, neatness, effort 5
- At least 8 total illustrations/photos relating to the organ system with CAPTIONS 8
- All 6 panels are completed; and space used effectively. 8

ORAL PRESENTATION:

35
